

U of I Community Credit Union Pre-Paid Debit Card

Now you can control your spending and still enjoy all the convenience of a debit card.

Our pre-paid debit card helps you manage your money because it's pre-funded. That means you can only spend the amount that's on the card.

You'll even have online access to the card so you can track your spending just by logging on.

Want to spend more?

Simply add additional funds to the debit card. You can load funds onto the card online and then use the card wherever debit cards are accepted.

Overdraft Fees Are A Thing of the Past

Since you can't spend more than the amount loaded on the card, you'll never be overdrawn again. That means no embarrassing mistakes and costly overdraft fees.

To receive your pre-paid debit card, fill out the attached form now and drop it off at any branch.
